DARCY SIGNED

"Jerry" Darcy, the local well-known baseball player, received a contract, transportation, and an urgent invitation to go to the California State League, as was exclusively stated in the Bulletin yesterday, and this morning he sailed away from old Hawaii on the Alameda for the Coast. His contract came from the San Francisco team, of which our old friend "Wild Bill" Devereaux is both manager and captain. That Bill hasn't forgotten his trip down here near the ball player is shown by the way he is taking an interest in the tatters here. Darcy will be given a good chance to make good under "Brick," and as he is a pretty good all-around man, he stands a fair show to make a name for himself. Here's luck, "Jerry."

KAPIOLANI TEAMS PLAY FIRST GAME NEXT SUNDAY

The first game of the season between teams of the Kapiolani Baseball League will be played next Sunday afternoon at Kapiolani Park. A good schedule for the season has been arranged by the officers of the league. The games Sunday will doubtless attract large crowds to the park, for the two contests that will be pulled off are between the crack teams of the league. Following are the officers of the league: President, Chas. B. Cottrell; vice president and treasurer, John F. Sylva; secretary, D. K. Kaeo; honorary members, Senator Chas. McCarthy and Alfred Young. The first ball will be thrown over the plate by President Cottrell and it will be caught by the vice president, John F. Sylva. D. K. Kaeo will be the first man at bat. The officials of the league desire to thank Senator Chas. McCarthy for the interest he is taking in their organization and also thank Alfred Young for the help he has been in the work of fixing the grounds. The games start Sunday at 1:30 sharp between the following
